MEN'S SINGLES FINAL

This was always going to be a great final with age Ricky Sudale) and experience against youth (Connor Arberry).

Ricky took the first leg and then followed with the next two all in fifteen darts, it now looked like it was going to be one sided but Conner had other ideas taking the 4th and 5th leg scoring a maximum 180 in each. Ricky came back and took the 7th but Conner came back again to win the 7th and 8th checking a 158 in the 8th leg. Now with four legs each it was turning into a classic final. Ricky came back again to win the 9th leg but Conner fought back to win the 10th once again making it all square. After a great tussle Ricky took the 11th and final leg to become the 2018 Norfolk Family Darts Festival Champion to take the £2,000-00 first prize leaving Connor as runner up and a prize of £800-00.

The legend of darts John Lowe did the presentation and then took on thirteen players in an exhibition. John also did a very interesting question and answers session to finish what was a great weekend of darts. The next event for Darts Events 4 U is the Lincolnshire Family Darts Festival at the Golden Palm Resort, Skegness where we have a guaranteed £10,000 prize fund. For more details go to www.dartsevents4u.co.uk.

Players to play John in an exhibition were: Paul Walker, Tom Coxon, Dan Sayer, Ray Layburn, Vicky Cauteruccio, Carl Tate, Rob Kennedy, Leo Gaffney, Gary Mountcastle, Jim Beadle, Danny Macintyre, Andy Beales and Mark Mumford.
